

## ANNEX 2

### Declaration of Nationality

Participation in CIR tender procedures is open to all natural and legal persons established in an EU member state or in a DAC Listed country under the same conditions.

Natural or legal persons established outside EU or DAC listed countries as well as G 20 countries are not eligible.

Applicants must indicate their nationality in their offers. The following applies:

- natural persons must indicate the country of which they are a national;
- Legal entities must indicate the country in which they are established and provide proof of such establishment by providing the documents required by the law of that country.

Please note: The rule of nationality does not apply to experts proposed by service providers for service contracts financed by the grant but it does apply to the service provider itself.

The applicant hereby confirms that a declaration of nationality in accordance with the points mentioned above is attached to the offer.
